Dear Sir:

In an action dated March 8, 2007, the Examiner noted that Applicants' election of Group I, Claims 1-15 in a reply filed February 16, 2007 did not elect a species from the species restriction requirement on pages 3-4 of the Requirement for Restriction dated January 19, 2007.

In response Applicants elect, without traverse, the species of Claim 6 (electrochemical deposition). Claims 1-6 and 8-15 read on the elected species.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 5 of this paper.
